THIS CHURCH KEEPS CHILDREN AND YOUNG PEOPLE SAFE

All the leaders and all other people at this church care about children's safety.

Everyone wants to hear how children are feeling and will take them seriously.

We talk with all the family when we make plans.

We treat all children fairly, and we give special help to some children when it is needed.

We make sure the people working with children are the best ones.

If a child or young person is worried about something, they can speak with an adult who will listen to them.

We keep learning about how to keep children and young people safe and well.

We make safe physical and online spaces for children and young people.

We look back at our plans to make sure children were safe and make changes for next time.

We write down how to keep children safe and make sure everyone can see it.
